

36th Annual (2020) Winter Tournament:

The 2020 Mockingbird Valley Sports Complex (MVSC) Annual Adult Indoor Soccer Tournament was another huge success! This event, now in its 36th year, took place on January 4-5, 2020, and, in doing so, continues to be the longest running indoor soccer tournament in the nation!! Over the past few years, we have worked extremely hard on improving the tournament as we hope to enhance the competition, increase the fun, and continue to create an enjoyable atmosphere for all participants and fans that visit us. We are extremely proud to host some of the best indoor soccer in the Louisville area and around the Midwest Region as this year's event featured 24 teams of the highest quality.

Men's Open Tournament

The Men's Open tournament fielded ten exceptional teams from around the region. After pool play, defending champ Beemer Auto Sales were atop Group A. Group B saw the Outlaws claim the top spot and Group C was represented by LSA. The 4th semifinal spot was not determined until 45 seconds left in pool play where Columbus AFC scored a late goal to beat out La Villita for the wildcard spot.

This year's first semifinal featured an exciting match with Beemer Auto Sales squaring off against local powerhouse Outlaws. The first half ended in a 2-2 stalemate, but in the second half, Beemer Auto Sales punched their ticket to the finals and gave themselves a chance at repeating as tournament champions for the third year in a row by way of a 6-3 victory.

The second semifinal featured Group C winner and the overall top seed LSA versus the wildcard and newcomer Columbus AFC. LSA proved why they were the top seed and roared out to a 5-1 halftime lead. The final score was 8-2 and LSA moved onto the finals.

The finals were set between Beemer Auto Sales and LSA. Beemer was in line to go for an unprecedented 3-peat. However, LSA had different plans as they stormed out to a 3-1 halftime lead. A deep bench for LSA proved to be the difference as they put on a show in the second half in route to a 11-2 victory and their first ever Adult Indoor Tournament Championship.

Over 30 Tournament

The 2020 Men's Over 30 Division was well represented with six teams and the level of competition was also impressive. After pool play, all four of our 2019 semifinalist proved their consistency with advancing in this year's event as well. The first semifinal featured a rematch of

last year's championship game between Kickers and America. The game went into half knotted up at 2-2 before a red card midway through the 2nd half proved to be the difference and America went on to win 4-2. The other semifinal showcased Group A winner Molly's vs. 2018 champion MILF Hunters. Once again, this game went into half all square at 1-1 before Molly's pulled away for a 4-2 victory.

The final was one for the ages as both teams scored 2 first half goals and 1 second half goal leading to a 3-3 tie at the end of regulation. The tournament title would be decided by a golden goal overtime period and Matt Karaffa's goal with 2 minutes remaining in OT gave Molly's the win and their first ever Over 30 Championship.

Women's Open Tournament

An eight-team pool with teams from around the region battled for this year's Women's Open crown. In group A, long time champion Sirens Blue breezed through pool play amassing an impressive 26 goals for and only 6 against tally through three matches. An equally impressive LSC team would snag the #2 seed in Group A. Group B saw the Sirens younger team, Sirens Gold, squeak out the top seed over long time participant BPNSS who moved on as the #2 seed.

In the first semifinal, Sirens Blue roared out to a 5-0 halftime lead before winning 7-1 over BPNSS. The other semifinal saw LSC breeze past Sirens Gold to a 7-2 victory. The finals were set with Sirens Blue and LSC and the reigning champs proved to be too much for the local favorites, winning the game and the Women's Open Championship by a score of 8-2.

On behalf of Mockingbird Valley Sports Complex, we would like to thank the fans, participants and teams who competed in the 2020 MVSC Annual Adult Indoor Tournament. We hope that all of the spectators and players alike enjoyed the level of competition and playing in Louisville's premier indoor sports facility: Mockingbird Valley Sports Complex! We are already looking forward to our 2021 event and we hope you all are too!!
